Summary: A Modern Jean and Marco! Two totally different college students that meet by chance. Leading to something extraordinary between the two young adults and soon everything flips upside down.

I Believe In You and Me

Jean's POV

Where the hell do I even begin? Where did it even begin? When did it begin? When did everything change? Oh yeah...within that moment, that very second and in that heart beat when **_he_** came... Nothing ever made me feel so alive when I was with _**him**_. Those gorgeous little freakles all over _**his**_ cheeks and nose, **_his _**light olive tan skin that always seemed to be so perfect that I was always so scared to feel it...

_**He **_was, no _**he**_ is the love of my life and I would never trade _**him**_ in for anything in the world. _**He **_literally turned my whole world upside down, I don't know how but with just _**his**_ presence something inside me just shifted. With **_him_** I don't feel an emptiness in my soul, with _**him **_ my heart beats faster than ever, with _**him**_ everything is different. My whole world revolves around _**him**_ and _**him**_ only. _**He**_ is the beginning and will be the end of my life...and now I have to begin our own story for our love...

End
